3. DAY – 25.9.2022. Trebinje - Sarajevo

08:00 Departure to National Park Sutjeska

Main focus: Virgin forest Preučica

Considered the largest conserved virgin forest reservation in Europe. It contains the most beautiful specimens of beech, spruce, fir as well as countless species of virgin forest herbs.

The age of trees is up to several centuries and their height is 50 to 60 metres

A waterfall named Skakavac (grasshopper) is in the very heart of the forest and is 75 metres in height – certainly one of the most attractive natural phenomena.

A view from Dragoš sedlo to Skakavac is memorable, a captivating sight that is a symbol of this landscape.

Tour is organized by a local ranger followed by lectures and descriptions of sites. Discussion is planned during a tour with professors from the University of Sarajevo.
